

Take your school class to the historic sites of the three Kilwa's

Set up camp at The Kilwa Payaka Hotel and use the hotel as you base in Kilwa

The three Kilwa's offer you a great variety of choices for an educational program. Kilwa Kisiwani Island in its self is already a history book and from here you can also include cultural and economic elements to the program. And there are also Kilwa Kivinje with its great architectural heritage and the market village of Kilwa Masoko to visit. The options are:

- Visit the UNESCO Heritage site Kilwa Kisiwani Island
- Visit the ancient fishing village of Kilwa Kivinje
- Or cycle into the village of Kilwa Masoko, visit the salt farms and Pwani, a fishing village

And there are also lots of fun activities to do for the children at the hotel, they can for example:

- Go snorkelling in front of the hotel
- Learn how to fish, our captain will take groups out onto the ocean and will teach/show how to catch the larger fish
- Go birdwatching, together with a guide they will then visit the birds observatory
- Play volleyball
- Go swimming

It is best to pre-book/arrange these activities, so that we can organise it all for you. In the evenings we can organise a barbecue or a buffet and we can finish with a great bonfire on the beach.
