

Kilwa Indian Ocean snorkelling

Discover what is underneath the surface of the Indian Ocean

The seafloor of the Indian Ocean consist of sand and coral. It harbours all kinds of sea life. A bit further out in the ocean, in front of the hotel, there is a wonderful coral reef, called Mama Tembo, where you can snorkel for hours. Here you will encounter all kinds of colourful fish and other creatures. Octopus can be seen near the sand bank. Let our captain take you there with the boat.

Without the boat you can also snorkel in the front of the hotel beach and there is also plenty to see. Hotel guests can use our snorkelling equipment free of charge.

Duration of activity: 2 to 3 hours

Best time to do this: mid afternoon

Price: \$ 25 per person, minimum 3 people in a boat

Includes: Snorkelling equipment, boat and captain

Our boat has safety equipment on board and the captain is a trained first aider.

Without the boat, the snorkelling equipment is free of charge for our hotel guests
